RHEUMATISM

CURED AT LAST

Good News for All Who Suffer With Rheumatism Free.

To all who suffer with Rheumatism I will gladly send free the wonderful story of bow my mother was cured after years of suffering together with the most elaborate treatise on Aneumatism ever published

No matter what your form of Rheumatism is, whether acute, chronic, muscular, inflammatoty, deformant, sciatic, neuralgia, gour, lumbago etc no matter how many doctors have failed in your case no matter how many so called "sure cures" you have tried-I want you to write to me and let me tell you how mother was

a plain man of business -but I have a CURE for Rheumstism and I want to tell everyone who suffers with Rheumatism all about it. I wish to be clearly understood, and trust that all who are suffering with this terrible disease, however apparently beyond the reach of cure, will write to me this day and I will send you by return mail this work of mine. I appeal especially to the "chronically ill" who are wearled and dissouraged with doctoring and to those who have been cast uside as "incurable." All you have thought about Rheumatism may be wrong. Let me tell you our experience. Surely if you have Rheumatism, or have a suffering friend, it will pay you to investigate my offer, anyway, and prove for yourself these claims I make.

Send me your address today-a postal care will do, and I will mail you this wonderful story. M you have any friends suffering with Rheuma tism, no matter where located, send me their address and I will mail them a copy. My address is VICTOR RAINBOLT, Broomdeld, Ind.

DEAR OLD TIMES.

For the sake of the dear old times, dear Let us greet as we used to du!

Let us wander across the meadows Where the skies are always blue. Let us meet in the soft, sweet twilight To the sound of evening chimes, Let us talk and sigh as we used to.

For the sake of the good old times For the sake of the dear old times, dear Let us wander away and away: Let us count not the hours fleeting But let love have all time in its sway: Let us meet where the birds are singing.

Where nature whispers its rhymes. And where all the world is music For the sake of the good old times For the sake of the dear old times, dear
